-: **Conference Objectives** :-

The conference "**Recent Trends in Mathematics and Its Applications (RTMA-2025)**" aims to showcase the event's multidisciplinary nature by fostering collaboration among scientists and researchers from diverse fields. It offers a platform to establish new professional connections, exchange innovative ideas, and explore potential partnerships across academia. RTMA-2025 seeks to provide an opportunity for researchers and young academicians to present their original work, share cutting-edge techniques, and discuss practical applications of mathematics in various scientific and technological domains. The conference is pivotal in advancing innovative solutions that drive growth and impact in both theoretical and applied research.
